# 2022 COMPETITIVE CHEER FINALS

March 4-5

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

— *Mark Uyl*  
*MHSAA Executive Director*

Allen Park Starts Strong in 2021 Title Run

**A**llen Park proved the importance of a fast start in competitive cheerleading. The Jaguars built a big lead, then held on despite not having their best stuff in Round 3 to capture their second consecutive Division 2 championship at the Breslin Center at Michigan State University in 2021.

"We didn't have our best Round 3, but we definitely had our best Rounds 1 and 2," said Allen Park senior Kylee Dietz, a returning all-stater from last year. "That just proves it takes three rounds to win a state championship."

Allen Park posted the best scores in the eight-team field in the first two rounds and did enough in the final round to win with a 782.34 score.

DeWitt (778.90) moved up after a third-place finish in 2020 to place second. Muskegon Mona Shores (776.48) moved to third with the day's best Round 3 score.

Allen Park has now won three of the last five Division 2 titles, while placing second the other two years.

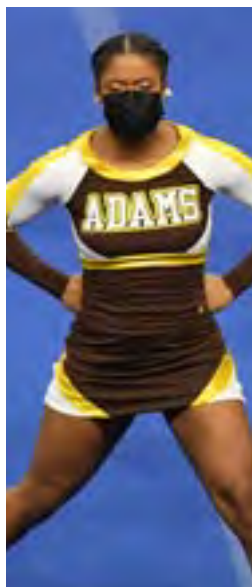

Julie Goodwin, in her 16th year as the Jaguars' coach, said the key to victory occurred long before the first two rounds – and far away from the lights of the Finals.

"For two months we had practice on the computer four days a week and we had 100 percent attendance," said Goodwin, who is assisted by Meghan Terry, Tina Johnson and Jessica Tremonti. "These girls worked hard in their basements."

It looked for most of day that Allen Park was going to run away from the rest of the field, but the Jaguars had an uncharacteristic drop on a stunt and several bobbles in Round 3, opening the door, albeit slightly, for its competitors.

"Endurance and perseverance were the key to today's win," Goodwin said. "I have been saying all year that we are grateful, thankful and blessed; I truly mean that."

Leading the Jaguars were six seniors, including returning all-staters Skyler Longton and Dietz. Other seniors were Cailey Tuttle, Haylee Jent and returning all-state honorable mention choices Rayden Guthrie and Monica Karagozian.

**Division 1**

Rochester Adams eked out its first Finals championship in 2020, but this time the Highlanders gave their nerves a little bit of a rest.

Adams posted the best score in all three rounds of the 2021 Division 1 championship for a 790.52 total, nearly eight full points better than unexpected runner-up Grandville.

"We expected to win this year – that was our mindset," said Claire Crutchfield, one of seven seniors on the Highlanders' roster. "Maybe we didn't think we'd win by that much, but we have been working non-stop since last year and all of that hard work has paid off."

Plymouth (782.36) placed third after a 2020 runner-up finish, and Grand Blanc (780.30) took fourth.

Adams now has finished either first or second in Division 1 four years in a row, with runner-up finishes in 2018 and 2019.

The Highlanders lost only four seniors off last year's team and had a strong group of senior leaders this winter. Crutchfield and Olivia Ris are both returning first-team all-staters, Ava Bondra was second team in 2020, Melina Catenucci and Carly Schultz were honorable mention and the other seniors are Maya Dalal and Kennedy Lloyd.

**Division 3**

Richmond getting pushed at the Competitive Cheer Finals is nothing new. The difference a year ago was there was a new team applying the pressure at the Division 3 Final.

Richmond led upset-minded Paw Paw by a miniscule three tenths of a point heading into the pivotal Round 3, but called on its experience and tradition to deliver a clutch performance and capture its third straight championship.

"There was not one ounce of doubt from anyone that we were going to do it," said Richmond junior Gracie Ellis, one of two returning all-staters for the Blue Devils, along with fellow junior Makenna Parker.

Richmond took first at 771.62, followed by Paw Paw (770.72) and Pontiac Notre Dame Prep (767.42), which had finished either first or second for seven consecutive years.

Richmond, which finished second to Notre Dame Prep for four consecutive years before breaking through with titles in 2019 and 2020, looked dominant in the opening round – posting a 233.30 score, which was a full 2.4 points better than second-place Notre Dame and 2.9 points better than third-place Paw Paw.

**Division 4**

Hudson coach Kelly Bailey has been coaching competitive cheerleading for almost 25 years, and she knows it takes special kids to win back-to-back MHSAA Finals.

"They are not normal teenagers," Bailey said of her team after it pulled away from rival Pewamo-Westphalia in the 2021 D4 Final. "They are all so respectful and they listen so well. Then they just go out there and do everything that we ask them to do."

That formula certainly did the trick as Hudson used a powerhouse Round 3 to win with a 758.98 total, giving the Tigers their second-straight championship and third in the past four years. Hudson also has runner-up finishes in 2017 and 2019 as part of an amazing five-year stretch.

The Tigers also continued an amazing streak of 21 straight appearances at the Finals.

# Title IX Turns 50, and Results Speak Volumes

To say that American female athletes dominated the recent Olympics in Tokyo would be an understatement. Among the 66 medals earned by American female Olympians – most by any country in the history of the Games – were gold-medal performances by the U.S. basketball, volleyball, water polo and beach volleyball teams. Eighteen medals were earned by the U.S. women swimmers, female track and field athletes claimed 15 medals, and the U.S. women’s softball and soccer teams won silver and bronze medals, respectively.

In the past 30 years of the Olympic Games, the United States has dominated the women’s team sports of basketball (nine golds), soccer (four golds, one silver, one bronze) and softball (three golds, two silvers) — not to mention the untold number of medals in track and field. And this past summer, the U.S. women’s volleyball team claimed its first gold medal.

These performances by some of our nation’s most skilled female athletes never would have been possible without the passage of Title IX and the offerings of these sports through our nation’s schools. With the chance to play afforded by the landmark Title IX legislation in 1972, girls participation in several high school sports skyrocketed in the years that followed.

When the NFHS conducted its first participation survey in 1971, basketball and outdoor track and field were the primary girls sports, comprising about two-thirds of the 294,000 total. However, with the opportunity to play additional sports, girls flocked to volleyball and softball first, along with cross country and eventually soccer.

Soccer, in fact, has had the most remarkable growth. In 1971, only 700 girls were playing high school soccer. Twenty-five years later, that number had climbed to almost 210,000; and as the 50th anniversary of Title IX approaches, there are now almost 400,000 girls playing high school soccer – a staggering 56,200 percentage increase in 50 years. Soccer now ranks fourth in popularity among girls high school sports – all because of that opportunity in 1972.

There are many other success stories, however. The pre-Title IX survey in 1971 indicated that 1,719 girls were participating in cross country. With increases every year until 2015, today, there are 219,345 girls competing in high school programs and the sport ranks sixth in popularity.

Although participation numbers have leveled a bit the past 10 years, fast-pitch softball is another sport that flourished after the passage of Title IX. With fewer than 10,000 participants in 1971, the numbers quickly rose to 220,000 by 1985 and 343,000 by 2000, and softball is currently fifth among girls sports with 362,038 participants.

Since track and field and basketball were the primary sports in the early days of girls sports programs, increases in those sports have not been as dramatic; however, they remain the first and third most-popular sports, respectively,

Hockey Weekly Action Photos

In the 50 years since the landmark Title IX legislation, girls around the nation have had plenty to celebrate.

today. Volleyball, however, much like soccer, continues its upward climb.

Without a doubt, volleyball has seen the steadiest increases among girls high school sports the past 50 years. After starting with 17,952 participants in 1971, the numbers jumped to 300,810 by 1990 and 409,332 by 2010 and 452,808 by 2018. During its climb, volleyball surpassed basketball as the No. 2 girls sport.

And among the top six girls sports from 2010 to 2018 (numbers are not available the past two years due to the pandemic), volleyball has gained the most participants (43,476), followed by soccer (32,549). And all of this has occurred thanks to legislation passed in 1972 that was not fundamentally meant to address opportunities for girls to participate in high school sports.

The NFHS is leading a yearlong celebration of the 50th anniversary of Title IX, which officially occurs on June 23, 2022. “Title IX at 50 – Celebrating and Growing Opportunities” is highlighting the law’s impact by celebrating the inspirational individuals and landmark moments in the history of Title IX, and continuing to grow the educational and competitive opportunities for the future.

The MHSAA is joining in the celebration with regular installments on its feature website, MHSAA SecondHalf. Join us in recognizing the key people who helped build and promote opportunities for female student-athletes in Michigan.

# Scholar-Athlete Class of 2022

The Michigan High School Athletic Association/Farm Bureau Insurance Scholar-Athlete Award has been recognizing the top student-athletes for 33 years. Applicants for the Scholar-Athlete Award must meet the following criteria: A minimum cumulative grade-point average of 3.5 on a 4.0 scale; and must have previously won a varsity letter. Applicants also show involvement in other school and community activities; submit two letters of recommendation and a 500-word essay on the importance of sportsmanship in educational athletics.

Recipients of the 2021-22 Scholar-Athlete Award receive a \$2,000 college scholarship to be used at the college, university, or trade school of their choice during the 2022-23 school year. This year, a total of 1,434 applications from 407 schools were received for the 32 scholarships. Class A students were guaranteed 12 winners, Class B eight winners, Class C six winners and Class D four winners. Two at-large winners were also selected.

All scholarship recipients will be honored during the MHSAA Boys Basketball Finals at the Breslin Center in East Lansing this March.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who are juniors at their schools during the 2021-22 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2021-22 are: **Sam Gibson**, Plainwell; **Brady Leistra**, East Grand Rapids; **Caroline Li**, Okemos; **Sam Matias**, Lansing Catholic; **Zar'ria Mitchell**, Saginaw Heritage; **Carney Salo**, Escanaba; **Brandon Thompson**, Petersburg Summerfield; and **Keira Tolmie**, Clarkston.

Those eight new members were selected from 114 applicants. That applicant total was 40 percent more than the total number of applicants who generally apply for SAC positions every year.

Applications for the next SAC class can be found on MHSAA.com and are now being accepted through April 25.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 122 schools from 46 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. Last school year, due to COVID-19, the Council met nearly twice as many times, but virtually all but once when members met for an outdoor, socially-distanced session.

In addition to assisting in the promotion of the educational value of interscholastic

## Student Advisory Council Belief Statement

*As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.*

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

*The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.*

athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

The new additions to the SAC will join the Class of 2022 members who were selected a year ago: **Brinlee Barry**,

Caledonia; **Faith Breinager**, Frankenmuth; **Amina Ferris**, Dearborn; **Nico Johnson**, Britton Deerfield; **Brenna Kosal**, Peck; **Ashton McNabb**, Three Oaks River Valley; **Brock Porter**, Orchard Lake St. Mary's; and **Melik Williams**, Ypsilanti Lincoln.

# The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# FINALS NOTES

## Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Girls Competitive Cheer Finals are: **Jennifer Brewer**, Laingsburg; **Juli Brown**, Fenton; **Cynthia Champagne**, Fowlerville; **Noelle Cole**, Metamora; **Ryan Collins**, Romeo; **Candace Cox**, Quincy; **Diana Dildine**, Grand Rapids; **Kathy Felty**, Comstock Park; **Barbara Gemellaro**, Rochester; **Tiffany Goliday**, Macomb; **Jenny Granger**, Charlotte; **Melissa Harrison**, Decatur; **Janelle Holland**, Kalamazoo; **Pamela Ingles**, Ravenna; **Julie Jones**, Kalamazoo; **Monte Keen**, Swartz Creek; **Karla Koviak**, Paw Paw; **Jill Lansky**, Kalamazoo; **Leisa Lobbezoo**, Jenison; **Allison Mankowski**, Canton; **Paula McAllister**, Fenton; **Jane Plaisted**, Grand Rapids; **Kelli Polinsky**, Wyoming; **Annie Post**, Coldwater; **Debra Rambow**, Grand Rapids; **Pattie Reynolds**, Byron Center; **Wendy Rocha**, Rochester Hills; **Eryn Stamper**, Tecumseh; **Gaye TenBrink**, Goodrich; **Michelle Turpin**, Shepherd; **Cynthia Tyzo**, West Bloomfield; **Stephanie Unger**, Royal Oak.

Congratulations to this year's Finals officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at **MHSAA.com**.

## Behind the Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, over 12,000 game officials and 50,000-plus administrators and coaches at over 1,300 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these events.

The behind the scenes work of these individuals and their staff make the tournament competition a memorable experience for the participants.

The MHSAA would like to thank the tournament managers for the 2022 Girls Competitive Cheer Finals — **Cole Andrews**, **Kassy Clark** and **Vic Villarreal** from Rockford High School.

Coordinating the Finals from the MHSAA office is Assistant Director **Kathy Vrugink Westdorp**. Assisting with operations are **Laura Roberts**, **Jon Ross** and **Paige Winne** of the MHSAA Staff.

## MHSAA Finals Coverage on the Web

Visit **MHSAA.com** and **MHSAA.tv** for results and video of this weekend's Finals. All three rounds of the Finals will be streamed LIVE on MHSAA.tv. Archived video can be accessed through MHSAA.tv following the events.
