# 2022 MHSAA Girls Soccer Finals

June 17-18

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

— Mark Uyl  
MHSAA Executive Director

# Norse Force

Caleb Parnin had been playing a little mind game on his North Muskegon girls soccer team all season long.

“We’ve been telling the girls all year that we are a second-half team,” said Parnin. “Honestly, part of that is just brainwashing them to believe it, and then hoping they make it a reality.”

It proved to be masterful strategy by the first-year coach, as the Norse worked their second-half magic to turn a 1-0 halftime lead into a 5-0 runaway over Royal Oak Shrine in the 2021 MHSAA Division 4 Final at Michigan State University’s DeMartin Soccer Complex, clinching the first championship in program history.

Hope Johnson, NM’s senior leader and top scorer, set up sophomore Jaley Schulz for the lone goal of the first half in brilliant fashion – then started the second-half onslaught with a breakaway goal seven minutes after the restart.

Emily Olsen, Katie Kinahan and Audrey Wilson also tallied for North Muskegon, which finished with a 20-1-1 record.

North Muskegon dominated the game, finishing with a 22-6 edge in total shots and a 12-2 advantage in shots on goal.

Royal Oak Shrine, which was the reigning Division 4 champion after downing Kalamazoo Christian 4-0 in the 2019 Final, finished 14-4-1 and lost its first game since April.

The Knights played their best soccer in the final 20 minutes of the first half, controlling play for a long stretch after Schulz’s opening goal.

Shrine was ultimately denied by the Norsemen’s stingy defense, led by senior Sophia Schotts and junior Grace VanderWoude. Other defensive leaders for NM were junior Molly Stewart and freshmen Abby Martinez and Kennedy Koekkoek.

On the rare occasions that the Knights got past the Norse defense and had scoring opportunities, NM senior keeper Syann Fairfield shut the door.

“Syann is so tough, and she was determined to get that shutout,” said Parnin, who is assisted by Chris Wilson, Pete Johnson, Adam Schulz and goalkeeper coach Kim Gorbach. “She senses things and goes out and stops them before they happen. Nothing she does surprises me.”

Johnson repeatedly drew Shrine’s defenders to her with her breakaway speed and then dropping the ball off to her teammates.

It was fitting that three of NM’s senior captains scored goals (Johnson, Olsen and Wilson), while the fourth – Schotts – led the defensive effort.

## DIVISION 1: Hartland 4, Troy Athens 0

Hartland wasn’t supposed to be in the 2021 Division 1 championship game. And Julia Pietila wasn’t supposed to play.

So, naturally, it was Pietila – hobbling on a severely sprained left ankle which almost kept her out of the game altogether – who scored two goals as Hartland blanked Troy Athens, 4-0, in the MHSAA Division 1 Girls Soccer Final last June.

“It was hurting, but it’s the state championship game,” explained Pietila, who scored the Eagles’ first and last goals in the weekend’s final game. “It was now or never, so I just went with it. Once I got into the swing of things, I forgot about it.”

Hartland (20-4-1) had entered the postseason ranked 23rd in Division 1 based on the Michigan Power Rating used to seed the top two teams at the District level.

But the Eagles seemingly forgot about all of that and the fact that it had never played in a girls soccer Finals game before, shutting out six of its seven postseason opponents.

The Eagles capped it by making Athens – No. 2 in final regular-season MPR – pay for its aggressiveness with an impressive counterattack, then cashing in on their opportunities.

Athens (17-2-4) has won four girls soccer championships. The Red Hawks, who had posted eight consecutive shutouts coming into the Final, now have three runner-up finishes.

## DIVISION 2: Bloomfield Hills Marian 3, Spring Lake 0

Olivia DeConinck had a feeling after she strode from her defensive position to join the Bloomfield Hills Marian attack on a corner kick.

The Mustangs senior didn’t make the run she typically would for a header, and that left her in perfect position to score the goal that put her team on track for a fourth-straight MHSAA Division 2 Girls Soccer Finals title.

“I guess it was just instinct,” she said. “I’m not really sure, my body just kind of took over. I knew someone needed to be there, so I got there.”

Marian’s 3-0 victory over Spring Lake (15-4-2) gave the program its ninth title overall. The 2021 team finished 13-3-1 and did not allow a goal throughout the postseason, outscoring its opponents 26-0.

DeConinck’s instinctive play didn’t lead to the winning goal, nor did it come late enough in the game to be considered a game-sealer. But in making the score 2-0 early in the second half, it may have been the goal that took the most wind out of a Spring Lake team that felt very in the game up until that point.

When Marian freshman Elle Ervin extended the lead to 3-0 just 2 minutes, 30 seconds later, that became even more clear.

The second half was all Marian, as Mustangs keeper Izabel Toma had to make just one save in the game, and it came in the first half. Spring Lake’s Jessica Stewart made eight stops.

## DIVISION 3: Detroit Country Day 3, Boyne City 0

Madison Salzenstein watched her shot hit the back of the net Friday with 8:28 to play in the 2021 MHSAA Division 3 Girls Soccer Final, and finally allowed herself to believe the job was done.

The Detroit Country Day senior spun toward her teammates at the edge of the six-yard box and let out a scream.

“I knew we were state champs right then,” she said.

Salzenstein scored a pair of goals to lead the Yellowjackets to a 3-0 victory against Boyne City. The win gave Country Day its sixth soccer title, and first since 2004.

“Euphoric is the only way to describe it,” said Country Day senior Calihan Bearden, who scored the other Yellowjackets goal. “We’ve been waiting so long with this group. We knew it was possible. Last year really set us back, but we knew this year was the year. It’s awesome.”

Country Day’s seniors fittingly came up with the big moments while getting the program back to the top, as the team was dominated by the Class of 2021, with 12 on the roster and eight in the starting lineup.

# Title IX Turns 50, and Results Speak Volumes

To say that American female athletes dominated the recent Olympics in Tokyo would be an understatement. Among the 66 medals earned by American female Olympians – most by any country in the history of the Games – were gold-medal performances by the U.S. basketball, volleyball, water polo and beach volleyball teams. Eighteen medals were earned by the U.S. women swimmers, female track and field athletes claimed 15 medals, and the U.S. women’s softball and soccer teams won silver and bronze medals, respectively.

In the past 30 years of the Olympic Games, the United States has dominated the women’s team sports of basketball (nine golds), soccer (four golds, one silver, one bronze) and softball (three golds, two silvers) — not to mention the untold number of medals in track and field. And this past summer, the U.S. women’s volleyball team claimed its first gold medal.

These performances by some of our nation’s most skilled female athletes never would have been possible without the passage of Title IX and the offerings of these sports through our nation’s schools. With the chance to play afforded by the landmark Title IX legislation in 1972, girls participation in several high school sports skyrocketed in the years that followed.

When the NFHS conducted its first participation survey in 1971, basketball and outdoor track and field were the primary girls sports, comprising about two-thirds of the 294,000 total. However, with the opportunity to play additional sports, girls flocked to volleyball and softball first, along with cross country and eventually soccer.

Soccer, in fact, has had the most remarkable growth. In 1971, only 700 girls were playing high school soccer. Twenty-five years later, that number had climbed to almost 210,000; and as the 50th anniversary of Title IX approaches, there are now almost 400,000 girls playing high school soccer – a staggering 56,200 percentage increase in 50 years. Soccer now ranks fourth in popularity among girls high school sports – all because of that opportunity in 1972.

There are many other success stories, however. The pre-Title IX survey in 1971 indicated that 1,719 girls were participating in cross country. With increases every year until 2015, today, there are 219,345 girls competing in high school programs and the sport ranks sixth in popularity.

Although participation numbers have leveled a bit the past 10 years, fast-pitch softball is another sport that flourished after the passage of Title IX. With fewer than 10,000 participants in 1971, the numbers quickly rose to 220,000 by 1985 and 343,000 by 2000, and softball is currently fifth among girls sports with 362,038 participants.

Since track and field and basketball were the primary sports in the early days of girls sports programs, increases in those sports have not been as dramatic; however, they remain the first and third most-popular sports, respectively,

Hockey Weekly Action Photos

In the 50 years since the landmark Title IX legislation, girls around the nation have had plenty to celebrate.

today. Volleyball, however, much like soccer, continues its upward climb.

Without a doubt, volleyball has seen the steadiest increases among girls high school sports the past 50 years. After starting with 17,952 participants in 1971, the numbers jumped to 300,810 by 1990 and 409,332 by 2010 and 452,808 by 2018. During its climb, volleyball surpassed basketball as the No. 2 girls sport.

And among the top six girls sports from 2010 to 2018 (numbers are not available the past two years due to the pandemic), volleyball has gained the most participants (43,476), followed by soccer (32,549). And all of this has occurred thanks to legislation passed in 1972 that was not fundamentally meant to address opportunities for girls to participate in high school sports.

The NFHS is leading a yearlong celebration of the 50th anniversary of Title IX, which officially occurs on June 23, 2022. “Title IX at 50 – Celebrating and Growing Opportunities” is highlighting the law’s impact by celebrating the inspirational individuals and landmark moments in the history of Title IX, and continuing to grow the educational and competitive opportunities for the future.

The MHSAA is joining in the celebration with regular installments on its feature website, MHSAA SecondHalf. Join us in recognizing the key people who helped build and promote opportunities for female student-athletes in Michigan.

# Scholar-Athlete Class of 2022

The Michigan High School Athletic Association/Farm Bureau Insurance Scholar-Athlete Award has been recognizing the top student-athletes for 33 years. Applicants for the Scholar-Athlete Award must meet the following criteria: A minimum cumulative grade-point average of 3.5 on a 4.0 scale; and must have previously won a varsity letter. Applicants also show involvement in other school and community activities; submit two letters of recommendation and a 500-word essay on the importance of sportsmanship in educational athletics.

Recipients of the 2021-22 Scholar-Athlete Award receive a \$2,000 college scholarship to be used at the college, university, or trade school of their choice during the 2022-23 school year. This year, a total of 1,434 applications from 407 schools were received for the 32 scholarships. Class A students were guaranteed 12 winners, Class B eight winners, Class C six winners and Class D four winners. Two at-large winners were also selected.

All scholarship recipients will be honored during the MHSAA Boys Basketball Finals at the Breslin Center in East Lansing this March.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who are juniors at their schools during the 2021-22 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2021-22 are: **Sam Gibson**, Plainwell; **Brady Leistra**, East Grand Rapids; **Caroline Li**, Okemos; **Sam Matias**, Lansing Catholic; **Zar'ria Mitchell**, Saginaw Heritage; **Carney Salo**, Escanaba; **Brandon Thompson**, Petersburg Summerfield; and **Keira Tolmie**, Clarkston.

Those eight new members were selected from 114 applicants. That applicant total was 40 percent more than the total number of applicants who generally apply for SAC positions every year.

Applications for the next SAC class can be found on MHSAA.com and are now being accepted through April 25.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 122 schools from 46 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. Last school year, due to COVID-19, the Council met nearly twice as many times, but virtually all but once when members met for an outdoor, socially-distanced session.

In addition to assisting in the promotion of the educational value of interscholastic

## Student Advisory Council Belief Statement

*As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.*

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

*The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.*

athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

The new additions to the SAC will join the Class of 2022 members who were selected a year ago: **Brinlee Barry**,

Caledonia; **Faith Breinager**, Frankenmuth; **Amina Ferris**, Dearborn; **Nico Johnson**, Britton Deerfield; **Brenna Kosal**, Peck; **Ashton McNabb**, Three Oaks River Valley; **Brock Porter**, Orchard Lake St. Mary's; and **Melik Williams**, Ypsilanti Lincoln.

# The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# DON'T BRING THE TEAM WITH YOU. DRIVE SOLO.

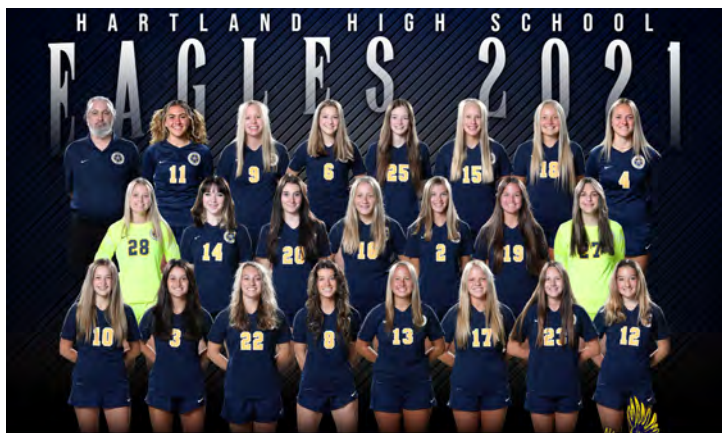

## **A teen driver's risk of dying in a crash increases with every teen passenger.**

Six out of 10 teen vehicle crashes are caused by distracted driving. And teen passengers are one of the biggest distractions. Passengers under the age of 21 are so distracting, in fact, that having just one in the car increases a teen driver's risk of dying in a crash by 44%, and driving with three or more passengers increases the risk by 300%.

Driving is not a team sport. Go it alone to make it home.

# Finals Notes

## Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected from an Association committee of member school personnel from across the state, based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Finals are: **Luis Aguirre-Rivera**, Niles; **Steve Besk**, Northville; **Jake Brochu**, New Hudson; **Goran Cepo**, Monroe; **Brian Chan**, West Olive; **Thomas Coatoam**, Midland; **Dena Conine**, Leslie; **Daniel Corp**, Livonia; **Richard Gilbert**, Ann Arbor; **Tyler Gregory**, Livonia; **Michael Kiselis**, South Lyon; **Stanley Krajkowski**, Birch Run; **Pietro Loria**, Sterling Heights; **Timothy Reed**, Lakeview; **Ronald Thomas**, Flint; **Jeremy Wittrock**, East Lansing.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at **MHSAA.com**.

## Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, more than 10,000 game officials and 50,000-plus

administrators and coaches at over 1,600 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

The MHSAA would like to thank following personnel for their assistance with the 2022 Girls Soccer Finals: **Seth Kesler**, **Kasey Carter**, **Dez Crayton** and **John Volesky** from Michigan State University; Lansing Community College AD **Greg Lattig**; and officials assistant **Jason Fisher**.

Coordinating the Finals from the MHSAA is MHSAA Soccer Director **Andy Frushour**.

The MHSAA would like to recognize the efforts of these individuals and the other individuals who have donated their time and talents to make the Finals a success.
