## 2021 NORRIS WINNER LEW CLINGMAN

A staple of Michigan High School Athletic Association postseason track & field events for more than three decades, Grand Rapids' **Lewis Clingman** continues to serve as an easily-recognizable host of Regionals and Finals in that sport for teams from all over the Lower Peninsula each spring. But his tireless service to school sports stretches across the entire school year and is rooted in 53 years as an MHSAA-registered game official, and those contributions are being celebrated with his selection for this year's MHSAA Vern L. Norris Award.

The Norris Award is presented annually to a veteran official who has been active in a local officials association, has mentored other officials, and has been involved in officials' education. It is named for Vern L. Norris, who served as executive director of the MHSAA from 1978-86 and was well-respected by officials on the state and national levels.

Clingman was to be honored with his Norris Award at the MHSAA's 42nd Officials' Awards & Alumni Banquet. However, the banquet was canceled for the second-straight year due to safety concerns over COVID-19. He instead will accept his award as part of a virtual banquet to be published on the MHSAA Website and social media feeds later in 2021.

Clingman first registered as an MHSAA official for the 1968-69 school year, to work track & field, basketball, baseball and softball. He has registered for track & field throughout his 53-year officiating tenure, and added cross country during the 2009-10 school year. He has officiated nine cross country and four track & field MHSAA Finals.

But that just scratches the surface of his many contributions. He is noted by many as a mentor – 2018 Norris Award honoree Jill Baker-Cooley that year specifically recognized Clingman among those who assisted her in getting started in the avocation. He also has been a catalyst of the MHSAA Lower Peninsula Track & Field Finals' two-decade run in the Grand Rapids area, where as a meet manager he continues to schedule and organize officials for all four locations of the season-ending series.

"I love being with the kids. It's for the kids. And that's why we're here," Clingman said. "The camaraderie with the other professionals I'm with, and just watching the successes that go on. ... But I love being with the kids. My kids are all gone; they're all over the country, my grandkids are around the country.

"If you're in this for ego, you're in the wrong business. And if you're in this to make a lot of money and retire, you're in the wrong business."

Clingman is a longtime member of the Association of Track Officials of Michigan (ATOM) and has received its Bob Bloomer Award, Bernie Abrams President's Leadership Award, Art Jevert/Bruce Jacobs Distinguished Service Award, and three times its Past President's Service Award. He also is a member of the West Michigan Officials Association.

Clingman also has served more than 40 years as an administrator, teacher and coach. He began his career at Holy Trinity Catholic School in Comstock Park, serving as middle school athletic director and basketball coach while also coaching football and track at Comstock Park High School. He served as head boys basketball and track coach and football assistant at Grand Rapids Kenowa Hills during the second half of the 1970s and after also serving as head basketball coach for five seasons at St. Joseph's Prep in Grand Rapids.

He moved on to serve as athletic director at East Grand Rapids High School, then after a brief stint in the business world began a 20-year tenure teaching middle school for Grand Rapids Public Schools before retiring from GRPS in 2011. During that time he became the spring event manager at Houseman Field, where at its peak he hosted on average a combined nine high school and college track meets per week. He also during his time at GRPS served as an assistant coach in football, basketball and track at Grand Rapids Catholic Central. He joined the staff at Catholic Central seven years ago and continues to serve as event manager and assistant to the athletic director.

Clingman and his wife Cindy have been married 52 years. They have four children, 13 grandchildren and one great-grandchild.

## Officials for Kids

**Officials for Kids** originated in Lansing in 2003 to support local fundraising efforts of Coaches for Kids and Athletes for Kids to construct a dedicated pediatric emergency room and waiting room at Sparrow Hospital. Since then, Officials for Kids has grown statewide to assist the Children's Miracle Network hospitals in Michigan with a variety of projects.

The Children's Miracle Network is a non-profit organization which raises funds for 174 children's hospitals across North America, including the four in Michigan: William Beaumont Hospital (Detroit); Helen DeVos Children's Hospital (Grand Rapids); Hurley Medical Center (Flint), and Sparrow Hospital (Lansing).

### **STATEWIDE OBJECTIVES**

- Promote good health for Michigan youth
- Support outstanding health care for Michigan children
- Enhance the public image of sports officials in Michigan

### **STRATEGIES**

Establish alliances between Michigan's four Children's Miracle Network Hospitals and local officials' associations to:

- Underwrite specific program, operational, and capital expenses of these CMN hospitals
- Promote and provide volunteer support for events which are consistent with these goals and objectives

For more information, please visit the Officials page of the Michigan High School Athletic Association Web site, [mhsaa.com](http://mhsaa.com), or contact **Andrea Osters** at:
