

PARTICIPATING SCHOOL TOURNAMENT INFORMATION 2021-22 MHSAA BOYS SWIMMING & DIVING

1. TOURNAMENT FORMAT

The MHSAA LP Boys Swimming and Diving Tournament is conducted in three equal divisions. In Swimming, individual and relay event competitors qualify directly to the Finals by meeting or exceeding pre-established qualifying times in a bona-fide high school meet. Qualifying times are determined by formula and posted on the MHSAA Web site. Finals Meets in each Division are conducted at three separate facilities. At all Finals Meets there will be preliminary rounds on day one, with the top 16 times qualifying for the second day Finals in 12 events (eleven swimming events and diving).

In Diving there will be three Qualification Meets in each Division. Schools will be assigned to one of the Qualification Meets by MHSAA staff based on geography and travel considerations. These assignments will be in the fall “**Tournament Notification**” form sent to all schools and posted on the MHSAA Web site.

Schools and swimmers/divers must compete in a minimum of four regular season varsity high school meets to be eligible to qualify for the MHSAA Tournament. Divers must qualify through Diving Qualification Meets and swimmers must meet or exceed qualifying times posted on the MHSAA website.

- B, In a league or conference meet or in a season ending invitational (if teams do not belong to a league), as many people may qualify to the Diving Qualification Meet as there are schools participating in the diving event, e.g., if an eight team league has six schools participating in the diving event of the league meet, six divers may qualify to the MHSAA Diving Qualification Meet
- C. In a conference meet, a qualifying spot to the MHSAA Diving Qualification Meet will be added equal to the number of returning Finals Meet qualifiers in that conference.

Finals Method of Selection – Based upon the number of entries present, each MHSAA Regional Diving Qualification Meet will advance a specific number of qualifiers to the Final Meet (resulting in 36 divers at each Final Meet).

The number of divers advancing to the Final Meet will be based on the percentage of the total entry for the Division at each Qualification Meet. The number of divers advancing and the cuts for each Qualification Meet are set before the data is sent to the Qualification Meet hosts and cannot be changed by the host site. Entries must be received by Noon on March 1. **Deck entries are not permitted at Diving Qualification Meets.**

Cuts will be determined based upon the number of entries at each Qualification Meet. Specific cut protocols will be sent to Diving Qualification Meet Managers prior to March 3 and posted to MHSAA.com. All those entered should be prepared to perform an 11-dive list.

- Coaches must bring to the Final Meet the Diving Qualification Entry List and documents to verify all entrants have achieved the qualifying standard.

10. PLAYING RULES/ADAPTATIONS

National Federation Swimming & Diving Rules will be followed.

11. MEDIA

Media credential requests for Regional meets are processed by local managers. Credential requests for the Finals meet will be handled by the MHSAA.

PARTICIPATING TEAM/SPECTATOR INTERNET STREAMING - The broadcast and streaming rights of MHSAA post-season tournament events belong exclusively to the N-F-H-S Network, FOX Sports Detroit, the M-H-S-A-A, and those media outlets which have pre-arranged to secure those rights.

Teams participating in MHSAA Tournaments are prohibited from streaming live video of any portion of an event over the Internet - including using social media platforms like Periscope and Facebook – or any other method.

Likewise, individual spectators are also prohibited from streaming video through any means.

Participating schools are responsible for informing their students, parents and other fans of this policy and to assist the MHSAA upon request in enforcing it. Participating schools are asked to help promote where their particular game may be viewed when being streamed by the MHSAA, one of its television partners, or a media outlet which has pre-arranged to secure such rights.

Videotaping- Competing schools may videotape games in which that school competes. The tape is not to be used to second-guess decisions made by game/meet officials. Schools wishing to videotape games at other sites may do so without securing advanced permission, but must tape from the stands unless press box space is available. Spectators may tape games from their normal seating area but are not to interfere with the view of other spectators or news media personnel covering the activity. A manager is not required to provide electrical hook-ups; or tripod space and may arrange spectator videotaping from a designated location(s). The tape may not be distributed, sold, rented, or loaned for commercial purposes.

Souvenir Program Policies – NA

Merchandising/Promotion Policies

Use of MHSAA Logo – The MHSAA logo and acronym are registered trademarks. MHSAA tournament trophy designs are also copyrighted. Use of these legally protected marks requires written permission of the MHSAA. Contact the MHSAA Communications Director for additional information.

Multimedia Policies

Audio/Video/Still Photography Rights – The MHSAA owns the rights to all multimedia (audio-video-still images-Internet) at all levels of its tournaments. Still and video photography is allowed by individual spectators from the seating area of the venue unless the host school district or facility has a previously-existing policy which is more restrictive. The MHSAA has exclusive multimedia arrangements for its Final events.

For MHSAA post-season tournament events, applications to secure broadcast rights must be submitted, paid for and approved by the MHSAA Office in advance. Requests may be submitted to broadcast audio on a live or on-demand basis; and requests may be submitted for on-demand video of any event not being produced by the NFHS Network or FOX Sports Detroit. Regardless of the platform being used - streaming, over-the-air broadcast, cable, etc. - and whether it's on a media outlet's website or through its social media presence - the rights must be secured in advance. The same rules apply to individuals as well.

MHSAA Handbook Regulation II, Section 14(A) reads as follows: “No school may sell or rent videos (DVD, tape or film) or sell still images of contests which are part of an MHSAA tournament without the permission of the MHSAA.”

If a school wishes to authorize an individual(s) to create multimedia content, the principal or athletic administrator must contact the tournament manager for passes and access. Refer to the publication, MHSAA Multimedia Regulations, for more information.

Post-Game Interviews -- Coaches should also be readily available to meet with the media shortly after the conclusion of a contest. It is recommended that approximately five minutes after the game, managers provide a location other than the team locker rooms for post game interviews with coaches and/or players the coach may wish to designate for interviews. Locker room access should never be allowed to media. Inasmuch as many media outlets are often on deadline following contests, interviews should be granted before any lengthy team meetings occur.

12. SPORTSMANSHIP

When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, that student shall be withheld by his/her school for the remainder of that day of competition and for at least the next day of competition for that team.

When a coach is disqualified during a contest for unsportsmanlike conduct, that coach shall be prohibited by his/her school from coaching for the remainder of that day of competition and from coaching at or attending at least the next day of competition for that coach's team.

Failure of the school for any reason to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular-season contest.

Disqualifications from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors. If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply.

Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

If a team is removed from competition in protest, the contest is forfeited to the opponent and the coach and principal of the removed team must appear before the Executive Committee to indicate why additional action should not be taken. The Executive Committee may also require the appearance of personnel from other schools and game officials.

If the coach is ejected from the contest and an assistant coach, or an assigned school representative is not available to continue as the coach the event is terminated and forfeited to the opponent.

When a contest is interrupted or it ends prematurely because of breakdown of proper sportsmanship and whether or not the on-site officials forfeit the contest to one team, one or both schools may be subjected to any or all, but not limited to, the following: censure, probation with competition, probation without competition, forfeiture, loss of privilege of revenue sharing, expulsion. In addition, it may be required of one or both schools that their coaches and administrators appear before the Executive Committee to indicate why additional action should not be taken.

13. WEATHER POLICIES, SUSPENSIONS, POSTPONEMENTS

When teams are delayed in arriving at tournament sites because of inclement weather, management is encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

14. INJUNCTION, RESTRAINING ORDER, PROTESTS

If an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed.

Protests will not be reviewed by the MHSAA. All disputes must be decided at the site before the game proceeds. The umpires will make the final decision regarding game events. The Tournament Manager will resolve all next game concerns.

15. TOBACCO AND ALCOHOL POLICY

Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

16. YOUTH PROTECTION POLICY

During the MHSAA Tournament events, the MHSAA expects all designated managers, volunteer or paid staff assisting in the event, officials, or any other personnel to follow local school district policy and state statute regarding the mandatory reporting of child abuse, bullying, hazing and sexual harassment. A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.

17. LOCKER ROOM PRIVACY POLICY

Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors that discover such use should move immediately to have the device removed and inform the head coach or athletic director of the identity and nature of the activity of the person involved.

18. SPECTATOR POLICIES

The following general policies apply to spectators at MHSAA Tournament events. Tournament managers may also have additional school, facility or institutional restrictions and/or policies.

- Banners are allowed with Meet Manager approval.
- Noisemakers are not allowed
- Smoking is not allowed at the tournament site.
- Spectator Videotaping – Spectators may tape but are not to interfere with the view of other spectators or news media personnel covering the activity. A manager is not required to provide electrical hook-ups; or tripod space and may arrange spectator videotaping from a designated location(s).
- **NEW Service Animal Language as follows:** - The policies of the local host site shall prevail with respect to pets/animals. In the absence of local host policy, animals or pets shall not be permitted to enter MHSAA tournament venues; including spectator and team areas. However, properly marked or documented service animals which are leashed or harnessed at all times may accompany spectators paying admission or attending with other approved team or school personnel. Individuals who bring service animals are asked to bring their own waste disposal bags and request special seating in advance of the event if this is needed.

19. UNMANNED AERIAL VEHICLE (DRONE) POLICY

The use of unmanned aerial vehicles (“UAV”), also known as drones, is prohibited for any purpose by any persons at MHSAA tournament venues. Tournament management shall refuse admission or entry to

anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed. For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the MHSAA.
